

Superior

Blood Circulation Support*

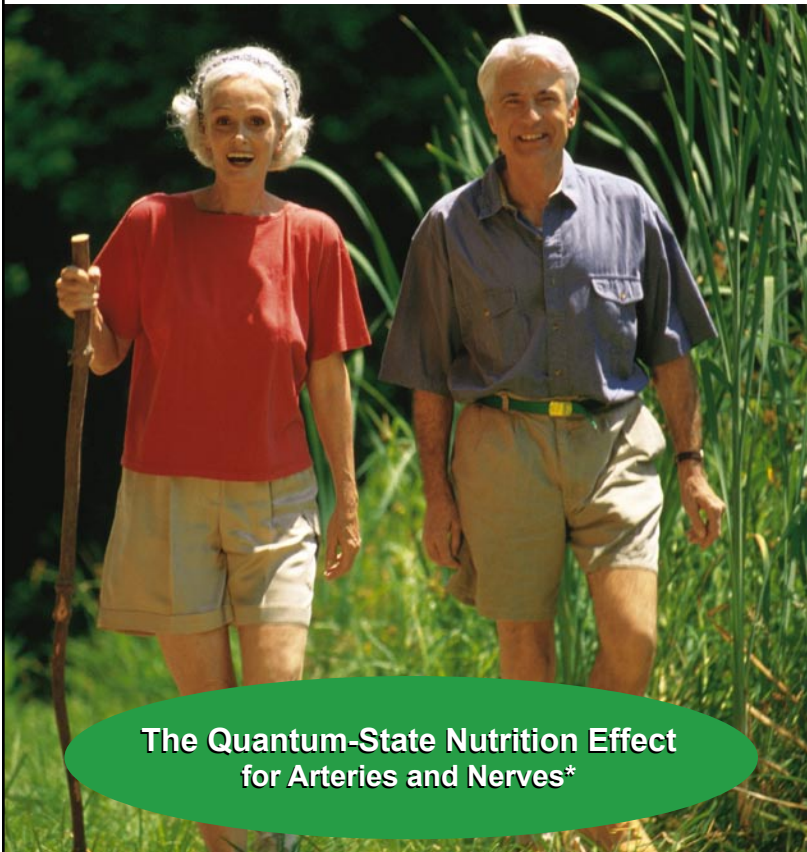

CircuZyme™

*Optimal Support for Blood Circulation and Associated Nerve, Heart and Arterial Function**

Key Benefits

- Promotes healthy micro-circulation of blood to peripheral tissues, including arms, legs, eyes, testicles, penis and other areas; supports associated nerve, heart and arterial function*
- Helps maintain healthy coronary and brain blood flow, including integrity of coronary arteries*
- Supports healthy male erectile function*
- Encourages optimal response to micro-artery stress/injury*
- Enhances the body's adaptive response to outer stressors (heat, cold, over-exercise)*

**The Quantum-State Nutrition Effect
for Arteries and Nerves***

Recommended Use: (Adults and children, age 4 up) take 2 capsules, 1 to 3 times daily.

CircuZyme™ - Ingredients 60 capsules; 450 mg/cap

Key Ingredients:

Propionyl-Carnitine . . .125 mg

“CircuZyme™ – a great breakthrough in 21st century biochemistry. CircuZyme™ represents the latest discovery in the use of carnitine compounds that by themselves exhibit no profound circulatory help – but together, especially with their critical synergists, co-factors and transporters, provide extraordinary help to the body to enhance circulatory function at the extremities, especially sites of trauma. An unexpected benefit is its unmatched enhancement of penile function.”

– Dr. Bob Marshall, PhD, CCN
