- *Advanced Charged Particle Technology
- *No Age-Accelerating Toxic Chemicals

For Men and Women

Charged Herbal Particles

ECOPs are beneficial electromagnetically charged organic particles.

These highly charged herbal particles polarize your own skin cells to a much higher electron-spin state. This means the uptake of nutrients into the cell is magnified 100 times greater than ordinary creams. And that's what makes skin truly healthy and radiant: GREAT NUTRITION.

ECOPs eliminate the need for preservatives and chemicals.

Look 10 Years Younger!

- Deeply cleans, tones, and softens skin
- Incredibly better and safer than a facelift or chemical peel
- Plump, tone, tighten skin; normalize pore size
- Exceptionally effective for sun damaged skin & age spots
- Stop oily, dry, blemished, or loose skin
- Ideal skin care to achieve the flawless appearance of actors, actresses and models
- Absolutely NO techno-toxic chemicals
